Dear Independent Gas Station Owner:

The Associated Getty, BP and Green Valley Gas Station Dealers of New England, Inc. (“Association”) is a non-profit corporation that has been formed with **ONE** goal in mind --- ***to help you***, the independent gas station owners, and to act as your representative and as a resource to you in your dealings with Green Valley Oil, LLC; Getty Petroleum Marketing, Inc., and Lukoil (“Green Valley”).

The Association was created as a response to the activities of ***Green Valley*** to cause independent gas station owners to pay higher costs for gasoline, and be subject to unfair, and anti-competitive activities by Green Valley that run the risk of severely affecting the businesses of the independent gas station owners, and in some cases, ***putting owners out of business***.

The Association has hired legal counsel, who has contacted Green Valley in the name of the Association with demands that Green Valley stop these activities. **Rest assured, the Association will pursue and follow any and all legal avenues to protect its members, whatever those may be.** To benefit, however, we need **YOU** to be a member!

Therefore, we urge you to sign up as a member of the Association and join us in protecting all of our rights against these abusive practices by Green Valley. Enclosed is a membership form, which we hope you complete and submit, together with your annual dues of \$250.

Congratulations in taking the first step toward securing the future of your business.

Regards,

**The Associated Getty, BP and Green Valley Gas Station Dealers of New England,
